**THINK, PREPARE AND TALK (TPT)**

Dear Parents,  
Greetings from Dewvale School!

We are pleased to announce that the TPT (Think, Prepare and Talk) session will commence on **14<sup>th</sup> April 2025, Monday**. This program aims to enhance our students' public speaking skills, confidence and ability to articulate their thoughts clearly.

**How TPT Works:**

- Every week, 5 to 10 students will be selected according to the class strength by their class teachers to participate in TPT.
- The names of the selected students will be shared via email in our weekly update.
- Selected students will be assigned a topic to prepare for that month.
- The student should prepare to speak for at least one minute on their assigned topic during class.
- TPT sessions will be conducted during the enrichment period.

To add an element of healthy competition, at the end of each month, the best speaker will be awarded from each section. Kindly [click here](#) to access the Rubric, based on which the students will be awarded.

We believe this initiative will greatly benefit our students by encouraging them to think critically, prepare effectively, and speak confidently in front of their peers.

We appreciate your support in encouraging and preparing your child to participate wholeheartedly in this program.

Best Regards,
