World Heritage Day (Pre KG – Grade 5)

Dear Parents,

“Our heritage talks about the roots of our nation”

Dewvale School will be celebrating the “World Heritage Day” on Tuesday, 18th April 2023 under the theme “HERITAGE CHANGES”. This special day is marked and celebrated all through the world in the name of “International Day for Monuments and Sites Day”. World Heritage is the shared wealth of humankind. Protecting and preserving this asset demands the collective efforts of the international community. This amazing day will offer our students an opportunity to raise their public awareness about the diversity of cultural heritage and the efforts that are required to protect and conserve it, as well as it draws attention to its vulnerability. This is an endeavor to sensitize our students about the rich cultural heritage.
