Learning Beyond Boundaries - DEWVALE CLUB (Grades 1 & 2)

Dear Parents,

“Students active outside the classroom do better inside the classroom”

The **LBB program** is a step to further initiate learning enhancement in students and as the name suggests the program takes it to an open forum that is beyond boundaries. It opens a whole new world of learning where students develop soft life skills.

Dewvale Club provides exposure to personality and helps in psychological and sociological transformation. It is a guide to unfold the hidden qualities and potentials of the students by refining and taking them to the maximum.

To bring about the holistic development of our students and hone their skills, clubs will be introduced in the LBB period. Each student can select a club that best suit his/her interests and talents.

The various clubs are:

Physical Activity Club	Literacy Club	Recreation Club	Math Club
Soccer Club (Football Club)	Theatre Club (Drama)	Twist and Twirl Club (Dance)	Math Cafe
		Rock and Tune Club (Music)	Food Fiesta (Fireless Cooking)

[Click here](#) to choose your ward's preference of club and submit the form on or before **Wednesday, 19th April 2023.**

Best regards,

Seema Umar
Principal
