COOL MOCKTAIL DAY (KG 1 & KG2)

Dear Parents,

Greetings from Dewvale!

“It’s time to beat the heat with sweet and tangy cool mocktails”

We are amused to inform you that our little wonders of Kindergarten will celebrate the **COOL MOCKTAIL DAY on Thursday, 4th May 2023**. It is a fun activity aimed at developing the cognitive skills of our tiny tots by encouraging and teaching them the various steps in preparing lemonade to quench their thirst. The students will understand and discuss the importance of drinking more liquids which will keep them hydrated during summer days.

Kindly note that further details regarding the requirements for the lemonade will be shared by the class teachers.

Best regards,

Seema Umar
