TEDDY AND ME (KG 1 & KG 2)

Dear Parents,

A toy is a kindergartner's best friend at home. At Dewvale, we offer our kindergartners a home away from home and hence we have a unique initiative called "**Teddy and Me**" which is aimed at developing their communication and language along with their personal, social, and emotional skills.

Keeping these objectives in mind, "Teddy and Me" will be introduced in Kindergarten from **Friday, 5th May 2023**. We request you to send your child's favorite toy (clearly labeled) with him/her and encourage them to speak a few lines about their toy. We will have the 'Teddy and Me' activity **once every month**. The dates will be shared by the class teacher prior.

Looking forward to your continuous support and co-operation.

Best regards,

Seema Umar
