PARENT SURVEY ON DIGITAL TECHNOLOGY AND AI IN EDUCATION

Dear Parents,
Greetings from Dewvale School!

As a part of its ongoing commitment to enhancing children's learning experiences, the **Knowledge and Human Development Authority (KHDA)** is conducting a survey to gather valuable insights on the use of digital technology and artificial intelligence (AI) in education.

The survey aims to understand how technology and AI are being utilized in the learning process and to identify opportunities for further improvements. Your input is essential in shaping the future of education for children. Kindly [click here](#) to access and complete the survey.

We request your participation in this survey, as your feedback will contribute significantly to the development of innovative and effective educational practices. Thank you for your continued support and cooperation!

Best Regards,
