ORAL AND DENTAL HEALTH WEBINAR FOR PARENTS

Dear Parents,
Greetings from Dewvale School!

We are pleased to inform you that the DHA has extended an invitation to all parents to attend a webinar titled "Oral and Dental Health Webinar for Parents". This webinar is specifically designed for parents and aims to highlight the importance of early dental care. It will provide valuable information to support sustainable healthy behaviors in your children. We encourage all parents to participate in this informative event to enhance their understanding of children's dental health.
