Dear Parents,  
Greetings from Dewvale School!

We would like to inform you that the Knowledge and Human Development Authority (KHDA), in collaboration with the Dubai Data and Statistics Establishment, is conducting a **Student Satisfaction Survey** across all private schools in Dubai.

The aim of this survey is to better understand students' experiences at school, including their views on learning, teachers and education in general. The feedback collected will help identify what is working well and what can be improved to ensure that students continue receiving the highest quality of education.

The survey will take approximately **10–15 minutes** to complete. In order for your child to participate, Please [click here](#) to submit the consent form. Only students with parental consent will be allowed to participate in the survey.
