Temporary Shift of Outdoor PE and LBB Sessions to Indoor Venue

Dear Parents,
Greetings from Dewvale School!

As temperatures continue to rise, the health, safety and comfort of our students remain our top priority. To ensure a safe and enjoyable learning environment, we will be temporarily shifting all outdoor Physical Education (PE) lessons and LBB sessions (Football and Basketball) to the Indoor Play Area.

This decision allows students to:

- Continue their physical activity in a cooler, safer environment
- Stay engaged with sports and movement without exposure to extreme heat
- Maintain regular participation and skill development in PE and LBB programs

We appreciate your support and understanding as we make this seasonal adjustment for your child's well-being.

Best Regards,

سيما عمر
