INTER-HOUSE ART COMPETITION**Grade 1-7**

Dear Parents,
Greetings from Dewvale School!

We are excited to announce the Inter-House Art Competition designed to encourage creativity, environmental awareness and teamwork among our students from **Grades 1 to 7**. The students are requested to prepare the poster in the medium mentioned on the topic.

Students from **Grades 1 and 2** will participate in the **Best Out of Waste competition**, where they will create useful or decorative items using recyclable materials. This is a fun way to introduce children to sustainability and eco-friendly practices. The materials should be Recyclable items only (e.g., plastic bottles, cardboard, newspapers, cans, fabric scraps, etc.). The judging criteria will be based on creativity and innovation and the utility or aesthetic value of the item.

The theme for **Grade 3 to 7** is **"Clean UAE, Green UAE "**. The base used for the theme is Canvas or Chart paper and the material used should be watercolor. Criteria will be based on creativity and originality and should be relevant to the theme.

General Guidelines:

- Date of Competition: **9th June 2025, Monday** based on the work that is submitted.
- Students must complete the work during the weekend and submit the completed work to the class teacher.
- All entries must be the original work of the student. Certificates will be awarded to the winners from each house.

We encourage all students to participate actively and make the most of this opportunity to showcase their talents while promoting environmental awareness.

Best Regards,

سيما عمر
