PARENT SURVEY - JUNE 2025

Dear Parents,
Greetings from Dewvale School!

As we are nearing the completion of the first quarter of the academic year, we would like to hear from you about where we are on track and where we still need to improve. Thus we have taken the initiative to reach out to our parents to participate in a Parent Survey where you can openly mention your opinion. Your comments and recommendations will be taken into consideration, carefully reviewed and implemented as necessary. The purpose of this survey is to give a voice to our parents and enable us to act on the feedback we receive, enhancing our education for your child. We are delighted that this survey will assist us to make a positive difference.

We look forward to you filling in the survey and giving us your feedback. The survey takes a couple of minutes to complete and we strongly encourage you to make your voice count. We want to hear from you to help us provide the best possible education and build on students' abilities. A link has been provided which will enable you to access the survey. Please [click here](#) to take the survey.
Looking forward to your valuable feedback!

Best Regards,
